1) The records disclose that collection of reserve amount in respect of Sri Janardana Swamy temple at Byrasandra here been irregular heavy sums are found due from the three archaks looking after the Janardana Swamy in rotation -

2) During 1921-22 the temple Inam lands were sold for Pancharatnam, the realisation from the temple being Rs 5'90/- p.a. In view of this large sum a reserve of Rs 100/- was levied - After the Pancharatnam proceeds were over, the lands went to the hands of the archaks one of whom has agreed to buy the said reserve for the temple - The archaks went on evading payment of reserve till June 1933 when the amildar held a lease sale of the Inam lands with the result that three bids were low & Somewhere, that certain other lands were not at all bid for & the entire sale was for on Rs 150/- for below even half of what was realised during 1921-22 - In view of the small realisation from the Inam lands of the temple, the Secy requests that the reserve

may be corrected — Karpeel Singh vide ref^e is invited to the following orders of the S.D.O. dt 29-9-1932 on the subject. —

6) If the party pays up the entire reserve amount due upto date the question of reducing the reserve amount as requested will be considered — He must pay up in 3 days time

7) Against this order of the S.D.O. Chesper sub div^n. The peti^r was in appeal before the D.C. Bangalore & the appeal was dismissed on 18.5.1934 on the ground that the petitioner failed to take advantage of the offer made when.

8) Thereupon there was an appeal before the H.C. against the above orders of the D.C. Bangalore — In favour of the peti^r — The peti^r Thimmegowda now has made the following requests: —

i) That the reserve fund fixed for the temple may be cancelled, failing which the reserve Collection may be ceased on Rs 174/-, the Punch Sal. Grain Sale amount of 1932-33 & enforced with effect from 1929-30.

ii) That the reserve may be withheld from one fourth what is due to her from the Panchayat Grain Sale amount from 1932-33 & the rest paid to her.

iii) That, until Sheis heard & orders passed on her appeal. The Panchayat sale of lands may be set aside & Sheis not proceeded against for the recovery of the arrears stated to be due from her. A detailed report was called for on the appeal petn. The report dated 6th D.C. Bangalore meets the several points raised by the petitioner — A sum of Rs 134/— as detailed below is reported to be due from the petner :—

1931-32 — 34
32-33 — 50
33-34 — 50
Total Rs 134/— (Vide Amildars report of 25/1/35)

Rs : Stay of orders prayed for by the petr then D.C has on 28/8/34 ordered that the order for handing over possession (of the Inam lands) may be stayed if petr pays Rs 50/— within one week. The petner has on 9-9-34 in her letter to the Dist. stated that she has credited in time by the said sum of Rs 50/— The sum due from the petner viz 34-35 is Rs 134 — 50 i.e Rs 84/— The other assessors in arrears also are

also reported to be irregular in paying the revenue.

The Insp[r]- is a Minor Insp[r]. & the regular Collection of the revenue is necessary for repairing the temple & effecting necessary improvements - The records received are silent about the present Condition of the temple building nor the Opinion of the Dharmadarsi of any has been recorded re - the repairment of the temple -

In view of the fall of prices the petr complains that an annual levy of Rs 50/- to the Share is heavy. If appd, a report will be called for recommended on the following points :—

(1) The total amount in the Shape of reserve fund at the credit of the temple.

2) The probable Cost of repairs & necessary improvements immediately required for the temple building either now or in near future.

3) Whether there is any possibility of reducing the reserve under the rates specified in the annexure to G.O No 1005-7 dt 16/11/29 printed on pages 304 & 305 of the Muz. Manual in future —

4) Annual receipts from all the temple lands if they are leased out for 10 to 20 years — vide for accts

GS 7/4

12) The two main points urged by the petr are :—

(1) that the Amount of reserve which

APW A-

is fixed at Rs 100/- may be reduced as even in the lease sale of lands first have realised only Rs 174/- per annum as against Rs 590/- p. a. realised in the previous lease sale and

(2) that the amount due to her share during the years fm 21-22 to 25-26 may be ordered to be paid to her.

13) In this connection the report of the Dy. Collr. A 11. 2. 35 to the Mge. (Flag E) is for perusal. It is clear therefm that the 2nd request of petnr is untenable in as much as it is ascertained that she did not perfm any services in the temple, the office of archak in the temple being under dispute.

14) As regards the 1st request it is seen fm the penultimate para of the Dy's report that it is a fact that the lease amount fell fm Rs 590/- to Rs 174/- and this is attributed to the abnormal fall in the prices of food stuffs. Affg the same argument in favour of the petnr it seems and fair that the reserve amount of Rs 100/- p. a. fixed on the basis of a Panchasala lease amount of Rs 590/- shd be suitably reduced. The reduction may perhaps be in

of 590 to 174 or roughly 3 to 1. The amount due by the petitioner till 34-35 was Rs 134/- out of which the ~~petitioner~~ offered to have paid Rs 50/- on 9/9/34 as the stay order was conditional on payment of this amount. The Dhobi owes Rs 84/- to Govt and as this is less than 2/3 of 134 the recovery of this amount may perhaps be ordered to be waived.

Gen: Secy. This seems a hard case. The reserve was fixed at Rs 100/- per annum when the gutta amount was Rs 590. One man agreed to the rate. Not the petitioner. The gutta amount is said to be Rs 174 now. The reserve should have been reduced correspondingly the scale of rent for the Temple being also revised. The Inam Court may be asked to have this question ex'd and reduce the demand. As regards the request that the lands be left to the archaks the decision of the local officers has perhaps to stand. The archaks will not attend to repairs
